Dear Parents / Carers

Thank-you for taking the time to fill in the RE questionnaire, I had many replies and wanted to share these with you.

The results showed a very positive response towards learning about other faiths and an appreciation of the links between our school and the local parish.

As we are a Christian school we do focus on Christian beliefs, however we are also aware of the importance of learning about other faiths to encourage an attitude of tolerance and acceptance which are vital in our increasingly multicultural society.

In your child's classroom there is space for reflection if they wish to have some time to do so. Throughout the day your child will also have time for prayer and reflection; before lunch, in collective worship and at the end of the day to celebrate and be thankful.

I have attached the results of the questionnaire, if you have any queries do not hesitate to contact Mrs Futers or Miss Henry.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'Miss Henry'.

Miss Henry
