Dear Parents/Carers,

We have recently updated the 'parent support' page on our school website to include information, video clips and links to the following:

Just One Number (0300 300 0123) offers support for children, young people, parents and carers in Norfolk. They offer advice and information and you can speak to your health visitor, school nurse or any other member of the Healthy Child Programme services.

Just One Norfolk is the website that accompanies Just One Number <https://www.justonenorfolk.nhs.uk/> for advice and information.

Parentline is a text messaging service for advice and information. A video explaining parentline can be found on the website and also on the Just One Norfolk website. Parentline number **07520 631590**

There is **FREE** online learning (**Understanding your child, The Solihull Approach**) with the access code JON70 to support parents, carers, professionals feel more confident when looking after children and young people. There is a link on the website <https://www.justonenorfolk.nhs.uk/online-learning>

Many Thanks

Mrs Starman
Assistant Head
