

Helping

The school council led Collective Worship on the theme of 'helping'. They chose to gather in the school hall as it was raining.

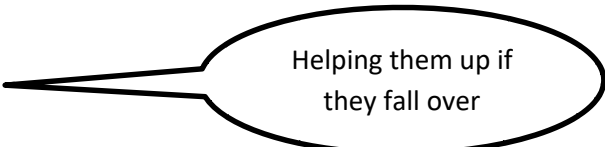

The school council asked the children questions...

How do you help a friend?

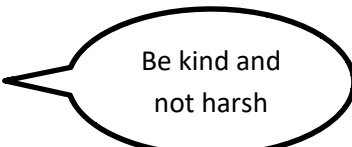

Ask if they're ok and listen

How do we help each other at school?

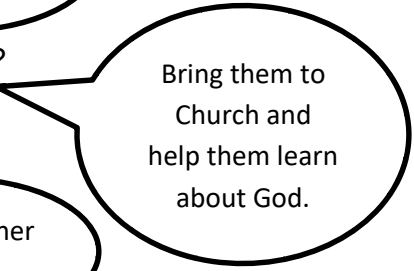

Helping them up if they fall over

How do you help others at home?

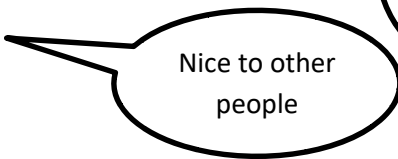

Be kind and not harsh

Have you helped anyone build a relationship with God?

Bring them to Church and help them learn about God.

Are you a helpful friend? How?

Nice to other people

The school council acted out the story of the Good Samaritan and asked the children who was helpful in the story.

They chose to sing a new song we had created (to the tune of 'this old man...')
"Jesus said, come to me, all the children I can see, in our school and in our community, kingdom of heaven belongs to me."

They wrote a prayer together and three of them said it to the school;
Dear God,
Can you please help us to help friends, help our parents and help our community.
Amen
