

Hope

The school council discussed symbols of hope and what each one meant; the colour green, a dove, a rainbow and a butterfly.

We talked about what they hoped to be

I hope to be
an actor

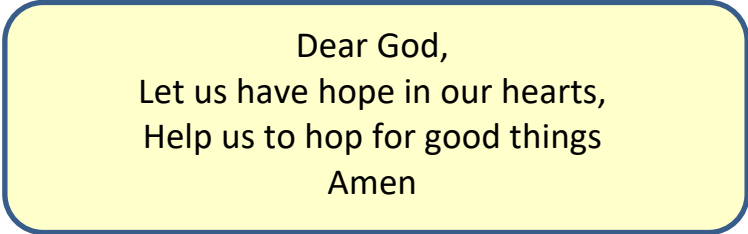

I hope to be
a scientist

I hope to look
after dogs like
my Grandma

The school council wrote a prayer about hope

Dear God,
Let us have hope in our hearts,
Help us to hop for good things
Amen

At the end of collective worship all the children were given a sticker to place on which of the four symbols of hope discussed they thought best represented hope to them. Most children chose the rainbow.
