

Cluster Lead: Mr Nick King

Violence and verbal abuse against staff

All staff in the Dereham Cluster are committed to working with you in a professional and courteous manner and have the right to work in a safe and supportive working environment.

Violence will be treated as a crime and we will press for the maximum penalty for anyone who behaves in a violent and abusive way. Verbal abuse and intimidation are not acceptable.

The Dereham Cluster has a zero tolerance policy towards such behaviour and steps will be taken by the Headteacher of each school to deal with this issue.

Please set a good example for your child by behaving in a polite, kind and respectful manner towards school staff.
