

# Home Learning Ideas

**Hello,**

We hope that you continue to stay safe and healthy during this time. Please remember that following Government Guidance is crucial to your well-being and health.

With the uncertainty of timings and timescales we have thought of some fun ideas for you and your child to explore.

## Maths

Please see the home learning pack provided to your child and available online. This pack features lots of place value activities that we have been learning in school!

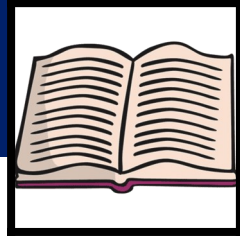

BBC Supermovers is fab interactive and free resource to use!

We wish you health during this time and we look forward to seeing you back at school soon.

Miss Watts and Miss Robertson

Theme: Australia is our theme at the moment so why not try;

non-fiction book  
Australia.

Can you create your own about

Can you include facts about the country, animals that live there, where it is in the world, what the seasons are like, temperatures, people, celebrations etc.

Can you research your information and draw pictures to show what you are writing about. We will host a class 'book fair' to celebrate all your creations. Look forward to reading all of your books!

## Literacy

Keep practising that cursive handwriting and write as much as you possibly can, letters, stories, fact files anything!

Individualised spellings for literacy and maths are also still available for you to do in the link book and home learning book.

## Phonics

Please see the phonics home learning pack provided to your child and available online. This pack features information to parents alongside sound mats for all the phases.
