

Make your own set of skittles:

Materials that you will need:

6-10 cardboard tubes. They can be different sizes

To decorate:

Plain / coloured paper

Glue

Scraps of Fabric / ribbons / or other trimmings

Coloured pens or pencils

Your imagination.

How to make skittles.

Decorate each cardboard roll in your own design. You can just colour them in or you can wrap coloured papered around each tube. You can make your tubes into characters by adding eyes, nose and mouth or making them to look like animals.

There are some ideas on the next page to help you.

When you have decorated your tubes, arrange them in a triangle shape. Roll a ball from about 2 meters away and see how many you can knock down.

You can have a competition with your family.

Try giving each tube a number score.

Remember.....NEVERTHROW a ball indoors ONLY ROLL IT

Use this sheet to score. If you have a laminator you can use this sheet over and over again

<i>Name</i>	<i>Score Turn 1</i>	<i>Score Turn 2</i>	<i>Score Turn 3</i>	<i>Score Turn 4</i>	<i>Score Turn 5</i>	<i>Total</i>

The winner is.....

<i>Name</i>	<i>Score Turn 1</i>	<i>Score Turn 2</i>	<i>Score Turn 3</i>	<i>Score Turn 4</i>	<i>Score Turn 5</i>	<i>Total</i>

The winner is.....
