This half term our theme is ROAR!

This week we will be continuing our theme and learning even more about dinosaurs. There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

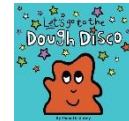

Vocabulary: Museum

What do you think the word /museum/ means? Research the word with your grown-up.

Maths

This shape is a cube. A cube is 3D. Can you go on a hunt around your house and look for cubes?

How many can you find?
Can you write the number down?

Phonics

Watch the Phonics video on Tapestry.

Practice writing the grapheme /oo/. Remember to join the letters together because it is a digraph. Can you help me make silly soup? I can only put in objects that have the /oo/ sound. Which objects can I add to my silly soup today? Can you write a list for me?
