

The colour monster

1. How does the colour monster feel at the end of the story? Why do you think he feels this way?

2. Can you think of any other words that mean the same as happy?

3. Did you like this story? Why/why not?

4. On the page that describes sadness, what two things does it say sadness can make you do?

5. Choose two of the emotions described in the story. Explain a time you have felt this way.
