

Thursday

This half term our theme is ROAR!

This week we will be thinking about what dinosaurs eat. We will also be focusing on our Reading Comprehension story 'The Gruffalo'. Listen to us read the story on Tapestry.

Fine Motor

Practise writing your name in cursive. Remember all letters need to start with a whoosh and you also need to write your name on the line. Use your name card from your remote learning pack for support.

Maths

Collect 5 small objects from around your house. Split them into 2 groups. How many different ways can you split them? Can you say the number sentence to match?

"Three add two equals five"

Phonics

Head over to Tapestry for today's daily video. In today's lesson we are going to recap all of the sounds that we have learnt so far and play a game of Quick Write.

Maybe you can then play this game again with your grown up. You could make it trickier by writing CVC words.

Creative

Turn your hand into a dinosaur. You can either draw around your hand or use paint to print your hand.

Tell your grown-ups all about your dinosaur. I wonder what your dinosaur likes to eat? Is it a herbivore, carnivore or a omnivore?
