

Thursday

This half term our theme is ROAR!

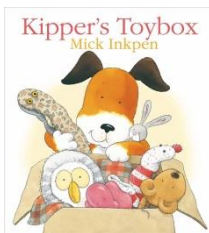

This week we will be continuing our theme and learning even more about dinosaurs. There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

Fine Motor

Can you draw the spikes (zig-zags) of a dinosaur? You could practise drawing them big and small. Maybe you could use lots of different colours. Keep your dinosaur spikes handy for tomorrow's Fine Motor activity.

Maths

Listen to the story 'Kipper's Toy Box' on Tapestry. As you are listening to the story count how many toys Kipper has.

How many toys would Kipper have if he added one more? Can you draw or construct a new toy for Kipper to put into his toy box?

Phonics

Head over to Tapestry for today's daily video. In today's lesson we are going to recap all of the sounds that we have learnt and play a game of BINGO!

Before you watch the video make yourself a bingo board. Divide a piece of paper into 6. Write one sound in each square. Choose from the sounds below. You can only use the sounds once on your bingo board.

*igh / ee / oa / qu / z /
sh / w / s / ch / i*

Creative

Create your own dinosaur swamp. You can use natural materials from your garden or you could make your own dinosaur gloop (see link below).

Use the dinosaur puppet that you made on Tuesday and go on an adventure in the dinosaur swamp.
