

Spring 1 Week 1 Tuesday:

Literacy

Today we are going to create a fact file all about ourselves. Begin by creating a title for your fact file, a title should be placed at the top of your page. Next draw a self portrait of you so that the reader can see what you look like.

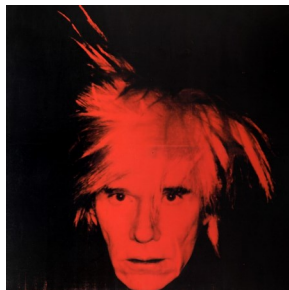

Now you must include some information about yourself. Use the example template in the 'Literacy resources' to help you decide what to include in your fact file.

Maths: Making 2D shapes

Yesterday you explored 2D shapes and named them all. Today we would like you to use household objects to create as many different 2D shapes as you can. There are some examples on page 3 of this document. Please take a photo of your creations and show us your work on Tapestry!

Theme: Andy Warhol

Use the link in the theme resources to read about Andy Warhol. Watch the video clip which explains Pop art. Can you create a fact file all about Andy Warhol? Use the ideas from Literacy to create your fact file.

Phonics: ie as y

Blend for reading: by, my, spy. Segment for spelling: sky, reply, fry, try

Read this sentence aloud: *I fly in the sky.* How could you improve this sentence?

Spelling word of the day:
would

Please watch the video on Tapestry for today's activity.

Handwriting:

Practice writing the letter u in cursive.

Whoosh in up to the clouds. The rain comes down and the umbrella comes up.

Complete two lines of the letter u and then try using it in the following words, cup, under, truck, umbrella. Please watch the video on Tapestry for today's activity.

Literacy

Fact file example

All about me!

Name: _____

Age: _____

Birthday: _____

Family: _____

Hobbies: _____

Favourite food: _____

Favourite book: _____

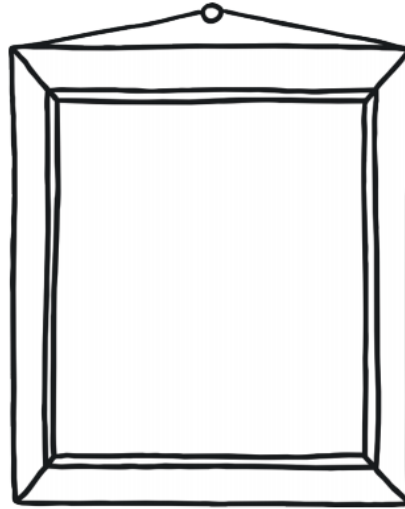

Favourite film: _____

Favourite animal: _____

Favourite place: _____

Favourite sport: _____

Favourite colour: _____

Additional resources and videos for this week's learning:

Theme:

Andy Warhol facts, Tate Kids: <https://www.tate.org.uk/kids/explore/who-is/who-andy-warhol>

Maths:

2D shapes video: <https://www.youtube.com/watch?v=TDymJlgVWCM>

Sides and corners of 2D shapes video: <https://www.youtube.com/watch?v=apAmQCzjmtE>

Here are some examples of making 2D shapes using household items, such as craft pipe cleaners, pasta, straws and play dough.
