

# Tuesday

This week we will be continuing our theme and learning even more about dinosaurs. There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

## Vocabulary: Scientists

What do you think the word /Scientists/ means? Research the word with your grown-up.

## Fine Motor

Draw yourself as a scientist. Can you write your name under your drawing? Remember to always start your letters with a whoosh. Use your name writing card from your remote learning pack as support.

## Maths

Join in with a Maths Meeting.

Please watch the Maths Meeting video on Tapestry and take part in today's lesson.

Remember to tell your grown-up the answer using a full sentence.

## Phonics

Watch the Phonics video on Tapestry. Practice writing the grapheme /igh/. Remember to join the letters together because it is a trigraph. Can you read the words below and match to the correct picture?

night

light

fight

## Creative

Can you make a dinosaur puppet? Below are some examples of how you could make one.
