

## Week 4 Tuesday 26th January:

**Literacy:** The three little pigs

Listen to the story of 'The three little pigs' on tapestry. Re-watch the video and try to join in with the talk for writing actions. Practise retelling the story lots of times using different voices and in different places of your house remembering to use the actions. Try coming up with your own actions for other parts of the story too. Could you create freeze frames for the key parts of the story?

**Maths:** Similarities of 2D and 3D shapes

What's the same about 2D and 3D shapes? Take a look at page 5 of this document to find out which shapes you will be finding similarities for. Once you have completed today's activity, there is a Maths Meeting video on Tapestry for you to join in with.

**Theme:** Oceans of the world

Yesterday you briefly explored the five oceans with Miss John. Today we would like you to focus your learning on two of the oceans: The Atlantic and The Indian. For your learning this week, we would like you to create an Oceans Fact File.

Take a look at Miss John's video for today's theme via Tapestry and please look at page 6 of this document for fact file ideas.

**Phonics:** ew

Read the following words and verbally put one or two into a sentence: blew, chew, grew, flew, Andrew. Next segment and spell the following words; drew, screw, grew, threw. Put the sound buttons under each word. Now write the sentence 'Tom chews his food'. Practise reading the tricky words little, what, oh, their.

Spelling word of the day:

**great**

Please watch the video for today's spelling activity.

**Handwriting:**

Please watch the video for today's handwriting practice.

Practice writing the letters 'an' in cursive.

Complete two lines of the letters 'an' and then try using it in the word 'nan'.

Then see if you can think of your own words with these letters in.

## Literacy

### Talk for writing actions

*Once upon a time*

*and*

*early one morning*

*next*

*later on*

*finally*

*because*

*but  
however*

*so*

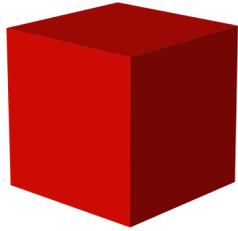

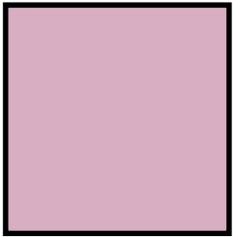

*The end*

# Maths

## Maths Activity Resource: Similarities of 2D and 3D shapes

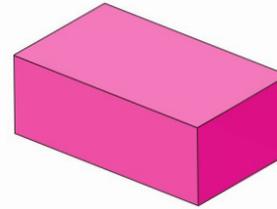

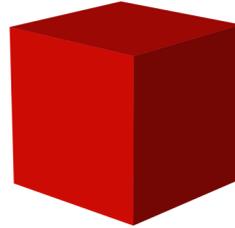

You could print this sheet off or write the answers in your book.

What's the same between these two shapes?

There are 6 square faces on a cube.

What's the same between these two shapes? Think about properties (edges, faces and vertices).

---

---

---

---

What's the same between these two shapes? Think about properties (sides and corners.)

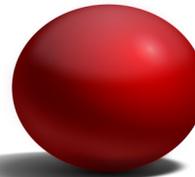

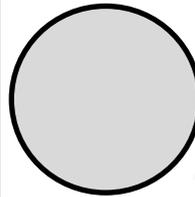

---

---

---

---

What's the same between these two shapes?

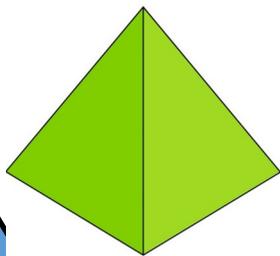

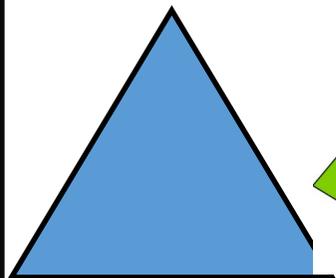

---

---

---

---

What's the same between these two shapes? Think about 2D shapes on a 3D shape.

---

---

---

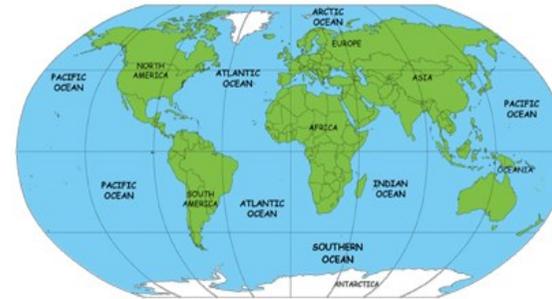

## Theme

Today's Theme:

Here are some examples of fact files on today's two oceans. Please only focus on the Indian and Atlantic for today's learning, as we will be exploring the other three oceans over the next two days.

There is a fact file template on the next page of this document, if you would like to use it, or alternatively you could create your own in your home learning book.

# Indian

The Indian Ocean is the third largest ocean in the world. It lies south of Asia and India, and separates East Africa from Australia. It is the warmest ocean in the world.

Area:  
68,556,000 sq km

Deepest Depth:  
7,725m

Earth Surface Area:  
14.4%

# Atlantic

The Atlantic Ocean is the world's second largest ocean. It is located between the continents of North and South America, and Europe and Africa.

Area:  
76,762,000 sq km

Deepest Depth:  
8,605m

Earth Surface Area:  
20.8%

# The Five Oceans

Oceans cover about 71% of the earth's surface. The huge body of salt water on the earth's surface is divided into five major oceans: Pacific Ocean, Atlantic Ocean, Arctic Ocean, Indian Ocean and Southern Ocean.
