

TUESDAY Writing:

This week we are going to be writing a postcard just like the ones featured in Meerkat Mail.

Today I would like you to look at the picture of the world map and decide where you would like to visit. Ask your parents if they have ever been to the country you have selected. Once you have selected the country you would like to live in you are going to research 5 facts about that country safely with your grown up. Please remember our online safety rules (see attached safety policy). 5 facts to consider: what do they eat? What is the weather like? What can you do there? What does the flag look like? What are they best known for? Write your facts down as a list.

Maths:

Watch today's video for the teaching input and maths questions.

After this, have a go at this challenge:
