Writing:

To invent a character for your story.

Today we are going to be thinking and designing our own character for our story. Here are some questions for you to think about; is your character a boy or a girl? Are they young or older? How old are they? Do they live with their family? Do they have a brother or a sister? Is anyone else going on the adventure with them? I would like you to draw a picture of your character and like yesterday label all the pieces of information (please see completed work on Tapestry for support).

Maths:

See document entitled 'Maths Tuesday 12th January' and video to support.

Art

Can you research a country. Can you draw a picture of that country and describe what the weather is like? What season is it at the moment in that country?
