

Wednesday

This half term our theme is ROAR!

This week we will be continuing our theme and learning even more about dinosaurs.

There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

Fine Motor

Practise your letter formation for the graphemes /o//q/ and /f/. Watch the videos on Tapestry for support. Remember you can also use your letter formation sheets from your remote learning pack.

Maths

Today in Maths we are focusing on the number /7/.

Can you draw a dinosaur picture which has:

- 7 dinosaurs
- 7 trees
- 7 bones

What else can you add to your dinosaur picture? I wonder how many dinosaurs and trees there are altogether?

Tell your grown-up about the dinosaurs that you have drawn. Are they herbivores, carnivores or omnivores?

Phonics

Watch the Phonics video on Tapestry. Practise writing the grapheme /oa/. Can you write the word to match the picture?

Can you write the sentence /The goat is big./? Remember to use a capital letter, finger spaces and a full stop.

Creative

Join in with the Dinosaur Stomp dance. Make sure you are moving all parts of your body.

<https://www.youtube.com/watch?v=Imhi98dHa5w>

I wonder if you can create a new dance move? Can you perform your dance move to the music? We can't wait to see your moves!
