

# The three little pigs and the big bad book by Lucy Rowland

1. What do you think Ben was thinking and feeling when the first little pig appeared at his bedroom window?

2. Why did the three little pigs turn up at Ben's house?

3. Is there a dilemma/problem in the story? What is it?

4. The author describes Ben as feeling 'glum'. What does glum mean? Are there other words the author could have used that would mean the same thing?

5. At the end of the story, the characters are all in Ben's bed finishing the story. The story ends with "And now, time for bed!...or time for one very last story instead?" On the wall behind Ben, you can see a picture of a story. What do you think is going to happen next?
