

Friday

This half term our theme is ROAR!

This week we will be continuing our theme and learning even more about dinosaurs. There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

Fine Motor

Practise writing your name. Remember to start every letter with a whoosh. You can use your name card to help you. Once you have written your name, draw a picture of yourself.

Maths

Play a game of 'show me'. Ask your grown up to say a number for you to show them using your fingers. Can you then tell them how many more you would need to make 10?

Phonics

It is tricky word Friday!

Please watch the phonics video on Tapestry and take part in today's tricky word lesson.

We are going to be learning a new tricky word today.

/he/

Creative

Can you paint your salt dough creation that you made yesterday?
