Call all your family and friends and read them your story—I am sure they will be really impressed and super proud of all your hardwork.

DROP AND LISTEN GAME

Another maths game today.

Adults find an opaque basket or tub. Drop something that makes a noise (e.g pasta) into the basket. Your child has to say how many you have dropped.

CHALLENGE: try changing the value of the item, e.g. 1 piece of pasta is worth 2. therefore your child will need to count in 2's to get the answer.
