

Safer Internet Day 2021

Today is Safer Internet Day 2021 and it is being celebrated all over the UK. This year the theme for Safer Internet Day is 'An internet we can trust: exploring reliability in the online world'. Below are a range of activities that you can complete at home, all focusing on how to stay safe when online. You can do them all or you can complete just one but please upload any work you do to either Tapestry or Purple Mash for me to see. Thank you for your continued support and I can't wait to see what you get up to!

Mrs Jones 😊

Please watch the attached Safer Internet Day assembly where we will be exploring the theme 'An internet we can trust' in more detail. During the assembly I will be asking some questions. You can pause the video to answer these with your grown-up at any time.

Please log in to your child's Purple Mash account where you will find '2Dos' set for Safer Internet Day. Please contact your class teacher if you have misplaced your login details.

Activity 1

Create your own website all about the moon. You will find this set in your '2Dos' on Purple Mash. Write 2 facts that are false and 2 facts that are true. Challenge your grown-up to pick out the fake facts.

Activity 2

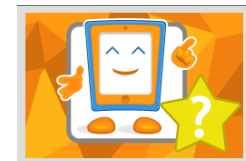

Can you draw a picture or write a letter to Wise Owl explaining everything that you have learnt from Safer Internet Day.

You can complete this digitally or you can get crafty!

Activity 3

Please complete the Safer Internet Day quiz. You will find this in your '2Dos' on Purple Mash.

Please follow the link provided to read the story Detective Digiduck.
