

# Make a leaf bookmark

*Materials that you will need:*

*Some card - use a cereal box*

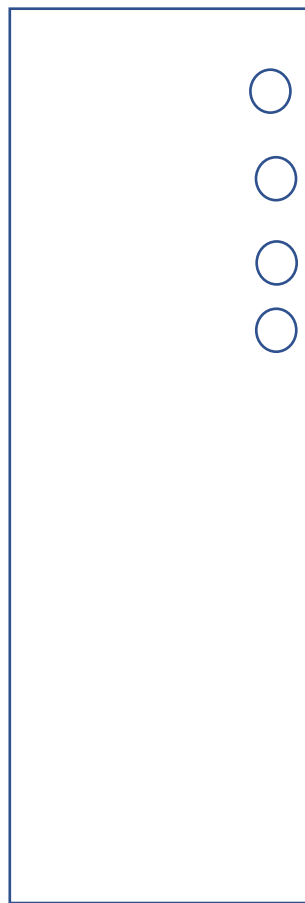

*Leaf pictures (as given or print off your own from the internet)*

*About (less than 1 meter)*

*Some coloured pens / pencils / paint*

*Your own imagination.*

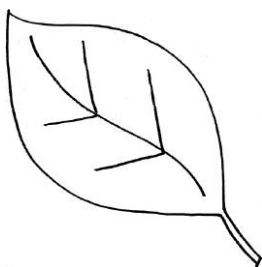

- 1. Take two pieces of card approximately 4cm x 15cm*
- 2. If you have a hole punch, punch holes 1 cm apart around the edge of ONE piece of card (You do not have to do that if you don't want to)*
- 3. Using the leaf patterns, (colour them in using greens and browns)*
- 4. Carefully cut them out and stick them on your bookmark. You can overlap them to fill the whole area.*
- 5. If you have punched holes, thread some ribbon through each hole as shown in the diagram.*
- 6. Glue the second piece of card on the back to make the bookmark a bit stronger.*

*2 pieces of card 4cm x 15cm*

*Hole punch all around ONE of the pieces*

*Colour in the leaf shapes then stick them on the piece of card with the holes.*

*If you have punched holes around the edge, thread ribbon through as shown in this picture (you will only go around the edge)*
