

Monday

This week we will be learning about mammals. We will investigate what the word /mammals/ means and what animals are mammals. We will look at features of mammals and how we can identify them. There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

Vocabulary: Mammals

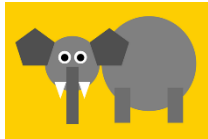

What do you think the word /mammals/ means? Research the word with your grown-up.

Fine Motor

Using pasta or rice, can you create your favourite mammal? Can you then write a label to go with your creation? Maybe you could even write a sentence.

Maths

Draw lots of 2D shapes on a piece of paper. Can you cut out these shapes and use them to make a zoo animal? What facts do you know about the 2D shapes you have used? Use the vocabulary /sides/ and /corners/.

PE Challenge

Using a cup and a small scrunched up piece of paper can you throw the piece of paper into the cup?

Phonics

Watch the Phonics video on Tapestry. Practice writing the grapheme /ear/. Remember to join the letters together because it is a trigraph.

Once you have practiced the grapheme, watch the rest of the phonics video and have a go at writing a sentence. Remember that a sentence needs a capital letter, finger spaces and a full stop.

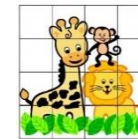

ear

For extra Phonics activities go to <https://www.phonicsplay.co.uk/>.

Creative

Can you make your own zoo theme puzzle? Draw a zoo themed picture and then using scissors, and an adult's help, cut the picture into pieces. Can you put the pieces together like a jigsaw puzzle to reveal your picture again?

For extra activities head over to Purple Mash <https://www.purplemash.com/sch/dereham-cafe>.

Use your child's individual login, that is in your remote learning pack, to access the '2do's' set by your child's class teacher.
