

Monday

This half term our new theme is The Zoo!

This week we will be learning all about what a zoo is, what happens at a zoo and the difference between animals living in captivity and animals living in the wild.

There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

Vocabulary: Zoo

What do you think the word /zoo/ means? Research the word with your grown-up.

Fine Motor

Can you complete a puzzle with your grown up?

Maths

Today we are focusing on the number 9.

Can you collect 9 objects? How many different ways can you make the number 9? E.g $5+4=9$

You could draw a ladybird again to help you.

Can you write down the number sentences that you make?

Phonics

Watch the Phonics video on Tapestry. Practice writing the grapheme /ur/. Remember to join the letters together because it is a diagraph.

Once you have practiced the grapheme, watch the rest of the phonics video and have a go at writing a sentence. Remember that a sentence needs a capital letter, finger spaces and a full stop.

ur

For extra Phonics activities go to <https://www.phonicsplay.co.uk/>.

Username: jan21
Password: home

Creative

Can you draw your own zoo? What animals will go into your zoo?

Challenge: Can you colour in your zoo and label the animals?

For extra actives head over to Purple Mash <https://www.purplemash.com/sch/dereham-cofe>.

Use your child's individual login, that is in your remote learning pack, to access the '2do's' set by your child's class teacher.

PE

Can you do 9 star jumps? Count out loud each star jump you do?
