

Monday

It is RE week in school this week and we are answering the big question 'What do Bible stories teach us?'

All week we will be learning about Bible stories and completing activities based around these.

Remember to put any work you complete onto Tapestry.

Vocabulary: Ark

What do you think the word /Ark/ means? Research the word with your grown-up.

Fine Motor

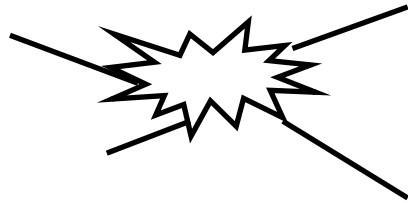

Can you write your name in cursive? Remember to start every letter with a whoosh. You can use your name card to help you.

RE

Watch today's RE lesson on Tapestry and listen to the story of Noah's Ark.

In today's lesson we are going to make a mind map. We will firstly write all the things that we already know about Bible stories in *blue pen*. We will then think about what we would like to find out and write these in *red pen*.

We will be adding to the mind map on Friday so please keep it safe until then.

Phonics

Can you play a game of phonics ISPY with your grown up.

"ISPY with my little eye something that begins with the sound__"

Maths

Can you build an ark using 2D shapes?

Can you then tell your grown up all about your ark?

Creative

Listen to the story Noah's Ark on Tapestry.

Can you make a rain stick? You could use rice or pasta inside your stick. Listen to the story again and then play the rain stick when you the rain falls for 40 days and 40 nights.

PE challenge

How many times can you hop from one side of your room and back again in 30 seconds?
