

Spring 2 Week 1 Tuesday 23rd February:

Literacy: Pirate punch recipe

Today we are going to look closer at the recipe for 'Ahoy matey punch!' Follow the video on Tapestry to find out about the different features of a recipe. Then, try labelling each of the features yourself on the recipe provided. Once finished, can you find the verbs that are used in the recipe?

Maths: Time: Half Past

Yesterday we read and drew o'clock times. Today we are going to be exploring half past the hour on the clock. Please watch both of today's maths videos via Tapestry. The first is our maths lesson going through all three activities, the second is a 'quick fire' telling the time video.

Theme: Sea shanties

First, you are going to listen to the song 'We're off on an adventure' and learn the lyrics. Come up with some actions to go with the song and practise singing it. Next, follow the video on tapestry which discusses syllables and looks at the different verses of the song. Today we are going to learn to create our own pirate song by writing new verses for 'We're off on an adventure'. Look at the template for writing your own version of the song.
