

Wednesday

It is RE week in school this week and we are answering the big question 'What do Bible stories teach us?'.
All week we will be learning about Bible stories and completing activities based around these.
Remember to put any work you complete onto Tapestry.

Fine Motor

Can you make your own 'hope' flying dove? You can do this however you would like.

Here is one way you might want to make your dove: <https://www.youtube.com/watch?v=uh4dTLJ9q9o>

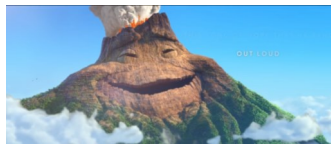

RE

Lesson 1— Watch today's first RE lesson on Tapestry all about hope. You can listen to the story Monkey Puzzle in this video.

Once you have watched the lesson, watch this video on YouTube. Can you tell your grown up how the volcano showed 'hope'?

<https://www.youtube.com/watch?v=uh4dTLJ9q9o>

Lesson 2 — Watch today's second RE lesson. In this video we will be introducing our promise rainbows.

Phonics

Can you write a sentence to describe Noah's Ark? Remember to give your sentence a capital letter, finger spaces and a full stop.

Maths

Can you write the numbers 1-10 on a piece of paper. Once you have written all of the numbers, can you trace over the lines using a cotton bud and different coloured paint dots.

After that, ask your grown up to say a number. Can you do that amount of star jumps?

Creative

Can you create your own promise rainbow? Once you have made your own promise rainbow, can you tell your grown up your promise?

Extra activity: Can you create a rainbow on Purple Mash?
