

# Wednesday

This half term our new theme is The Zoo!

This week we will be learning all about what a zoo is, what happens at a zoo and the difference between animals living in captivity and animals living in the wild.

There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

## Vocabulary: Enclosure

What do you think the word /enclosure/ means? Research the word with your grown-up.

## Fine Motor

David Attenborough is a very important man who does a lot to help and look after animals.  
Listen to a story about David Attenborough on Tapestry and then draw a picture of him.

## Maths

Using a teddy, can you use positional language to describe where your grown up has hidden the teddy?

/behind/ /on top/ /in/  
/next to/

## Phonics

Watch the Phonics video on Tapestry.  
Practise writing the grapheme /oi/. Can you read the words below and match to the correct picture?

coin

foil

Once you have practiced the grapheme, watch the rest of the phonics video and have a go at writing a sentence.  
Remember that a sentence needs a capital letter, finger spaces and a full stop.

## Creative

Can you make an enclosure for an animal? You could use a shoebox to make it in and then use natural resources to build the enclosure?

Can you tell a grown up about your design?
