

Reception Newsletter

March 2021

A big thank you!

Thank you for all the wonderful remote learning you have completed during the school closure period. It has been great to see what the children have been learning at home and how they have continued to develop their knowledge and skills.

Dates for your diary

Friday 12th March—Handa's Surprise food tasting.

Friday 19th March—Red Nose Day.
(please wear red).

Monday 29th March—Start of the Easter Holidays.

Our Topic This Term

This half term, our topic in Reception is The Zoo!

We will be learning about different types of animals, where they live and what they eat. We will also be learning about endangered animals and how we can help them.

Change of weather

The weather can be very unpredictable this time of year and can change very quickly. Please ensure your child has appropriate clothing in school for all types of weather (raincoat / hat / gloves / scarf).

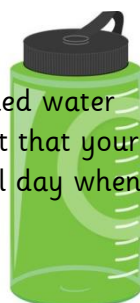

PE

Both Ruby and Pearl will be taking part in PE on a **Thursday**. Please make sure your child has a warm PE in school for this day.

Water Bottles

Please make sure your child has a named water bottle in school everyday. It is important that your child is able to access it during the school day when they are thirsty.

Please don't forget to check our website for up to date information.
