

# Wednesday

This week we will be learning about mammals. We will investigate what the word /mammals/ means and what animals are mammals. We will look at features of mammals and how we can identify them. There will be a range of different daily videos for you to watch at home whilst also completing the activities below. Remember to upload any work you complete to Tapestry so we can see what you have learnt.

## Fine Motor

Preparation: Adults to tape zoo animals to the table/floor/flat surface.

Can you free the zoo animals? Use your finger muscles to remove the tape.

## Maths

Today in maths we will be learning about number bonds to 10. Please watch the Maths video before completing the activity.

$8 + \square = 10$      $3 + \square = 10$

$4 + \square = 10$

Can you complete these number sentences using the 10 frame?

## Phonics

Watch and join in with today's phonics lesson on Tapestry where we will be learning the trigraph /ure/.

ure ure ure

ure ure ure

ure ure ure

Fill up a whole piece of paper with the trigraph /ure/. You could use lots of different colours. I wonder if you can write some big and some small?

## Creative

Henry Rousseau was a French painter who included animals in his artwork.

Can you paint your own zoo themed painting in the style of Henry Rousseau?
