## Fresh Ideas Feeding Minds Spring / Summer Menu 2021

Introducing our Spring/Summer School Lunch Menu, offering high quality, varied dishes using local and seasonal ingredients where possible.These dishes have been created by our Menu Development Team to allow a flexible approach to eating a school lunch; whether that is in the dining room, in the classroom or even in an outside space!

All poultry, pork and beef we use are traceable right back to the farm and, where possible, sourced from **East Anglian** suppliers. We use wholewheat flour in our bread and pastry recipes!

> **Safety** is of upmost importance when providing a nutritious meal for your child. Please be assured, **enhanced measures and risk assessments** are in place in all of our kitchens in line with Public Health England and Food Standards Agency guidelines.

A full allergen list for this menu can be found on our website – **www.norsecatering.co.uk** Should your child have a medically-diagnosed allergy or health condition and needs an alternative menu, please complete our Allergen Aware Registration Form which can be found in the school office or on our website.

> If you think your child/children may be eligible for free school meals visit
