

Geography Pupil Voice Survey 2021

Question	Year 1	Year 2
What do you know about Dereham and our local area?	<p>Dereham is a nice place. I live there and always go to school there - The schools are important - The toy shop - There are some shops and some people live in the shops. My granddad lives in a shop - McDonalds - The birthday party area (Planet Zoom) - The church. It's special because that's where people pray -</p> <p>The church – M The park – O The shops – M Friends' houses – I The cinema – LD The swimming pool – RC-F Bowling – L The pub – R</p>	<p>It has loads of places to go like Wetherspoons and Poundland” – LR We have McDonalds with the best chicken wraps in the world – HH There's a church – SE-B In the middle of the town there's this big roundabout where it has people from the army and on poppy day people stand near it. – DP</p> <p>It's a town with shops and places to visit – JBi There are three churches here in Dereham and some believe in different things – AN There are places to shop and to eat too – MP We can go on walks around Dereham town and in the countryside too – EA There are parks we can play at in Dereham – SF</p>
What do you know about the United Kingdom?	<p>It's a very small country - There are countries – There is Australia - England - Scotland - Ireland -</p> <p>The Queen lives in Buckingham Palace in London, there is also Big Ben – A Norwich is the city near us – PB Scotland is at the top – G Wales is at the bottom – RC-F</p>	<p>I know that London is a place where there's basically the really tall thing, I think it's Big Ben and it was built a long time ago and it's really special – JB In the UK there's four places, we have Wales, England, Scotland and Northern Ireland. There capitals are London, Edinburgh, and Belfast. – JJ In Summer it is quite hot but not really hot, in Spring it rains quite a bit, in Winter it sometimes snows and in Autumn it is really windy – T-RH</p> <p>In the UK there are four countries, England, Wales, Scotland and Northern Ireland – JBal London is the capital city of England – JW We have hot and cold weather throughout the different seasons – JD There are seas that are all around the UK – SF</p>
What do you know about the world?	<p>South America - The Great Barrier Reef - Africa and North Pole and Scotland - My dog is a Norfolk Terrier - In Australia, whales live there - Atlantic Ocean - In our country there are more than ten sharks -</p> <p>Australia – M</p>	<p>The continents are North America, South America, Africa, Europe, Asia, Australia, Antarctica – NO There is Antarctic ocean, pacific ocean, there's three others too – JJ There's Atlantic ocean.- LR There's the Indian ocean. – SE-B</p> <p>We have 7 continents of our world – AD</p>

Geography Pupil Voice Survey 2021

	<p>When it is Summer here it is Winter in Australia – LD Australia has extreme weathers – I The Antarctic is the coldest part – MH</p>	<p>There are 5 oceans and lots of animals we haven't even discovered yet that live in these oceans – RL Animals are sometimes different depending on where they are in the world, they like to live in different habitats and climates - AR</p>
<p>What do you know about maps?</p>	<p>Maps are used for pirates. So they can get the treasure chest - If you're going on a long walk you would use a map to see where you're going - There'll be lots of different areas on a map to show you where to go and there's names of countries -</p> <p>If you get lost you could use a map – K If we were going somewhere new - AR</p>	<p>A map is like where you find your way to go. – JT You can use a map when you're lost and wanted to go to London for example, you would find London on your map. – NO It shows you where you want to go – CP You can see all the islands and places there are– LP Some maps have compasses on them – ET On the side of a map there is a key so if you were drawing a map you would always have to put a key on the side to show which bit is which – JJ</p> <p>If we're lost we can use maps to find where to go – SF Maps show us roads and rivers on them. They built the roads to curve around the rivers – EA You can have paper maps that fold out into a large map or you can use a map on your phone – AN Some maps have compasses on them to show you which way is North, East, South and West, to show you directions - LB</p>
<p>Is there anything else you would like to learn about in Geography lessons?</p>	<p>Great White Sharks - Animals in the wild - Koalas - How animals get into the South Pole - Dogs and their bones and how their legs move. How the voice of them is barking and howling. And why cats eat rats and birds. And how they purr -</p> <p>Where is America? – MH I would like to learn more about Scotland - K Diamond class all decided that they would like to learn more about the continents.</p>	<p>I want to learn about Australia – OY I want to learn about Scotland – LC Go see Norwich – DE</p> <p>I would like to learn about the North Pole and why we call it this name – KBB Why is the world called 'the world'? – UK Are there any places in the world that we can visit, not just to visit on holiday? – AHC How hot is the desert exactly? – HD I know we have already learnt about the ocean and it's animals but I would like to learn about more ocean species and the plants too - KJ</p>
