

Home Learning

This half term Year 1 & Year 2 are exploring the topic of 'Wilderness Explorers'. Here are some ideas that you might like to try at home.

You could create a piece of UP house artwork using pastels, paints or colouring pencils.

You could design your own explorer badges to collect.

Why not take photos of your adventures?

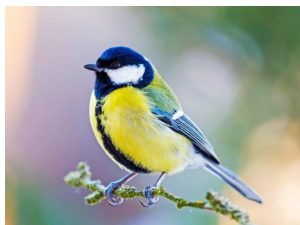

You could create your own adventure scrap book.

Can you find out about British wildlife?
Could you draw pictures and label their body parts?

What do British animals have to help them survive?

How are you and your family looking after our world?
