SPRING 2 2023

Week 1

## Online Safety

With children having more and more access to the internet, it is always good for parents and carers to feel they know how to support and look after your child using the internet. Please use the link below to find out more information to help you.

Also we have this link which helps set age appropriate limits on You Tube and You Tube kids. <https://families.google/familylink>

Please see the attachment sent with this newsletter about safety around games consoles

## Current Weekly Attendance

Reading Cafes next week: the uptake of parents attending the reading cafes looks very low. The staff put a lot of effort into these cafes preparing resources etc. We may have to cancel the reading cafes if we do not have more parents attend. The activities have been designed for children to complete with a parent/family member.
