Summer 1 2023

Week 1

A message from Mrs Futers...

I would like to say hello to all the families that I have met previously and to all those who I haven't met before. I have been delighted to see you all and to see how well the children have been progressing. I would like to take the opportunity to say thank you to all the staff at DCINS whose efforts and commitment have continued the positive work for our whole school community. It has been wonderful to return to DCINS and I look forward to working with you all.
