Reminders……

Remember that mobile phones should not be used on school grounds. Many parents/adults have been observed using them when dropping off or collecting children and this breaches our school policy.

Please can parents/adults remember that pupils and siblings must not use the trim trail or play apparatus before or after school. If an incident happens we are not insured for this.

Once again we ask that you do not park down Washbridge, beside the school. It is becoming dangerous. Traffic wardens have been in attendance.

After your child has had sickness/ diarrhoea, please do not send them back until 48 hours after the last
