Year 1 Autumn Term 2
London

Welcome Back!

This half term our theme will be London.

We will be learning about animals in Science, The Gunpowder Plot in History and our healthy bodies in DT.

We will be learning the skill of jumping in PE.

PE

During this half term PE will be taught on **Mondays and Thursdays** for both classes.

Please ensure that your child comes to school in their PE on these days so we can get maximum time from our sessions.

Please ensure your child has a water bottle with plain water and a healthy (fruit or vegetable) snack if required.

Please do be mindful of the ever-changing weather at the moment and supply your child with a coat just in case the weather changes throughout the day.

Home Learning

Home Learning will be sent out weekly in your child's home learning book. This will be sent home on a **Friday** and will need to be returned on the following **Tuesday**.

Maths home learning will start this half term. This will be a consolidation activity of what we have been learning in the week.

If you have any concerns or questions, please write in your child's link book and we will get back to you ASAP.
Thank you for your support!
Miss Watts and Miss Reeve

☺

Year 1 Autumn Term 2
London

Home Learning Ideas

Our theme for this half term is London

This half term we will be learning lots about The Gunpowder Plot in History and Animals in Science.

Please feel free to put any work that your child completes into their home learning book for us to see and display in the classroom!

Can you draw a story map for a new adventure for Paddington Bear?

Where will he visit next in our community/ country?

Can you research a landmark in London and create it?

You could draw it, make it out of recycling objects, paint it.

Please bring them in to school to show us!

Can you design your own zoo featuring wild animals?
Can you draw and label them?

Extension: What might their habitats look like?

Can you identify where London is on a map?

Can you research 3 facts about London?
