

Year 1 Spring Term 2

Australia

Welcome Back!

We hope that you enjoyed the break.

We are looking forward to working alongside you again this half term.

Our theme for this half term will be 'Australia'.

PE

During this half term PE will be taught on Mondays and Thursdays for both classes.

Please ensure that your child comes to school in their PE on these days so we can get maximum time from our sessions.

SNACK

Please ensure your child has fruit or vegetables only. Thank you.

Spellings this half term

Your child will now receive personalised spellings. This is to learn spellings that they are commonly spelling incorrectly.

Please practise these weekly with your child.

Your child's class teacher will check on a Friday that they can spell them.

Phonics

You will receive a personalised phonics pack over the next few weeks to support your child with different areas of phonics learning.

Home Learning

Maths home learning will now be published for your child on Maths Whizz.

Please log in each week to check what activities have been provided for your child. These might link to what your child has been learning that week or to address areas they might need extra support in.

If you have any concerns or questions, please write in your child's link book and we will get back to you ASAP.

Thank you for your support!

Miss Watts and Miss Reeve

Year 1 Spring Term 2

Australia

Home Learning Ideas

Our theme for this half term is Australia.

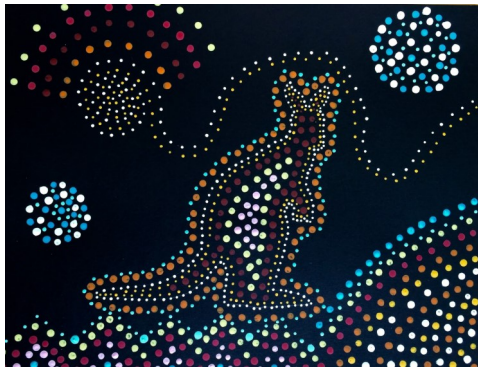

This half term we will be learning lots the continents and oceans of our world in Geography. We will also be looking at the human and physical features of Australia and comparing them to our own country.

Write a fact file about Australia.

Can you research using online resources safely with a grown up facts about Australia and present them in an interesting way.

Can you create your own aboriginal inspired art work?

You could use a cotton bud, pasta or the end of a pencil at home.

Can you design your own Australian zoo?

What animals would feature in it?

What would their habitats look like?

What would they eat?

What animal groups would feature?

Can you design a poster for sun safety.

It gets very hot in Australia, can you create a poster explaining how to stay safe in the heat.
