Monday 29th January 2024

Dear parent/carers,

As a school, we implemented The Power of Reading created by the Centre for Literacy in Primary Education in September 2023. This programme has supported us to create a high-quality Literacy curriculum which develops the children's reading comprehension and writing composition.

The Power of Reading enables us to spend a whole half term focusing on one book allowing the children to fully immerse themselves into the text. The children have really loved this approach to teaching Literacy and we have seen such a positive impact to their learning.

We are excited for the opportunity to invite you to join your child for a Power of Reading café where you will have the opportunity to complete activities with your child based around their current Power of Reading text.

The workshop will take place on **Monday 5th February 2024 at 1:30pm – 3:15pm**. There will be hot drinks and biscuits available whilst you enjoy a range of activities with your child.

Please complete the attached slip and return to your child's class teacher.

Thank you for your continual support,

Miss Webster

Writing lead

Child's name: _____ Class: _____

I will be attending the Power of Reading café

☐

I will not be attending the Power of Reading café

☐

Signed: _____
