Wednesday 17th January 2024

Dear parent/carers,

We are very excited to share that the year 2 children have the opportunity to participate in a music workshop linking to our current story of Ossiri and The Bala Mengro. We are reading this story in sections and slowly introducing new parts of the story. So far, we are still in the early stages of the story and building up to the main part. Once we reach the main section of the story, children will discuss the importance of music and instruments to the main character.

Norfolk music hub will visit the children on Tuesday 30th January 2024. The workshop will provide children with the opportunity to explore using a range of tuned and un-tuned instruments. The children will also be led to create their own rhythms and spoken chants to represent the story. This will be a very fun and hands-on experience to support the children's learning.

To enable us to continue to provide these opportunities for the children, we are asking for a contribution of £1.50 towards the workshop. Please could contributions be paid through parent mail. Please complete the attached slip and return to school as soon as possible.

Thank you for your continual support,
Miss Webster and Miss Reeve
