### Tapestry

Each Monday, during snack time, the children have the opportunity to share their weekend news. Please upload photos and videos of your child's adventures onto Tapestry for them to share with their friends. Please speak to your child's class teacher if you need support with accessing your Tapestry account or contact the school office.

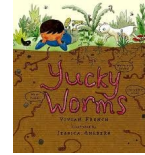

### Thank you

Thank you to everyone who supported on our visit to the library and our walk around town. Without parent helpers we wouldn't be able to provide the children with these first hand experiences. We really do appreciate your support.

### Look what we will be learning about...

During this half term our learning will be based around the non-fiction book, *Yucky Worms* by Vivian French.

We will also be learning about:

- Dereham
- Henri Rousseau
- Toys from the past

### TALK

To support your child, here is some **key vocabulary** you can discuss and use at home whilst learning about Dereham:

- \* Map
- \* Street
- \* Landmarks

**Try discussing this questions together:**

- \* Where is your favourite place to visit in Dereham? Why?

### Reading books

Reading books are changed every Friday. Please ensure your child has their reading book and reading record in school to be changed. If you misplace your child's reading book please speak to a member of staff.

### PE Days

Both classes will take part in PE lessons every **Wednesday**. Please ensure your child wears trainers on PE days. All long hair should be tied back and all earrings removed.

Thank you for your support.  
Mrs Jones and Mr Scriven
