## SUMMER 2 2026

### Welcome back!

I wanted to start this newsletter by saying a big welcome back to Mrs Cunnington. Mrs Cunnington has returned after her maternity leave and has returned to the position of Deputy Head and SENCO. Myself (Miss Reeve) and Mrs Cunnington will both be SENCO and will work closely together to continue to provide support for our children with SEN.

### 1:1 SEN transition meetings

Thursday 2<sup>nd</sup> July

1:10-3:00

Parents only

1:1 SEN transition discussion meetings with Miss Reeve

Miss Reeve is going to be holding 10 minute meeting slots with parents of children on our SEN register to discuss transition and any concerns you have. It will be a safe space to discuss your worries, ask questions about transition, get some advice about how to support your child through this time or to get some further information regarding your child's transition to a new class.

Please book your 10 minute slot via Parent Mail. If you cannot make the date/time, please email the office and I will look into finding an alternative time to meet with you.

### Transition Book Recommendations

As we approach the end of the academic year we wanted to share some of our favourite books that can be used to support your child as they transition to a new class or school. Sharing stories about this change can support children in discussing their worries or feelings towards it and learn strategies to help manage these emotions.

## Events!

Within this section of the newsletter we will let you know about events happening within our school community and local community.

### At DCINA

SEND Library Bus Session - Friday 10th July - DCINA - 3:05-3:15

Once every half term we will be holding a session on the bus where you can come in just before the end of the school day and take your child on the bus to look at the wonderful books on board. This bus session will be quieter and at a reduced capacity compared to our regular Thursday after school bus sessions. Your child will be collected from class and then returned ready for hometime.

Being in the water is such a leveller for all abilities, and helps support youngsters mentally, physically and emotionally.

We at Water Babies Norfolk want all children to feel confident and safe in the pool, so we are excited to announce we will be looking to launch some SEND swimming sessions.

If your little one has educational needs or is differently abled and you feel they would benefit from these sessions then please get in touch.

Your interest can help us shape what our sessions will look like to help support your child to gain water confidence and safety skills.
